Drug Panel Update

February 11, 2020

[Update on Regulatory Bylaw 18.1 \(The Prescription Review Program\)](#)

Please be advised of the amendment to The College of Physician and Surgeons of Saskatchewan’s Regulatory Bylaw 18.1(a) Panel of Monitored Drugs as outlined below. The drug names highlighted in YELLOW below reflect the new additions, effective immediately.

A reminder that in accordance with bylaw 18.1(g), Physicians shall only prescribe part-fills of medications to which the Prescription Review Program applies if the following information is specified in the prescription:

- (i) The total quantity;
- (ii) The amount to be dispensed each time; and
- (iii) The time interval between fills.

According to bylaw 18.1(e), A physician who prescribes a drug to which the Prescription Review Program applies, and who provides the prescription directly to a pharmacy by electronic prescribing, by email or by FAX, or who transmits a prescription in accordance with the policies and protocols of the Pharmaceutical Information Program, need not include both the quantity numerically and in written form.
