Dr. L. Tanyi-Remarck

[Redacted address block]

Dr. Tanyi-Remarck:

On Saturday, January 29th, 2022, the Council of the College of Physicians and Surgeons of Saskatchewan accepted your admission of guilt to charges of unprofessional conduct. These charges relate to you having exercised insufficient oversight, in ensuring that billings submitted on your behalf for urinalyses, were appropriately billed to the Medical Services Branch.

The Council of the College of Physician and Surgeons has imposed penalties pursuant to **The Medical Professional Act, 1981**. These penalties include a fine, a requirement to take an ethics course, payment of costs and a written reprimand.

*You, Dr. L. Tanyi-Remarck, having been found guilty of professional misconduct while practicing medicine in the province of Saskatchewan are hereby reprimanded by the Council of the College of Physicians and Surgeons of Saskatchewan.*

In Saskatchewan’s publicly funded health system, it is imperative that physician billings accurately reflect the services administered. We must ensure that we steward these public resources, to ensure a sustainable system. By failing to ensure that these urinalyses were properly billed, you diverted funds that could be appropriately used elsewhere.

and guiding the profession to achieve the highest standards of care***

Council considered the mitigating factors put forward by your counsel and acknowledged that this was an isolated incident in your otherwise good record. We also understood that you did not personally profit from your billings for these services, due to an ongoing legal dispute. Additionally, Council acknowledged the sincere, in-person apology that you delivered at your penalty hearing.

It is the hope of Council that you reflect upon your lapse in ethics, and strive to maintain the high professional and ethical standards that we expect.
